

**COVID-19 STATEMENT FROM AHEPA MARROW
FOR IMMEDIATE RELEASE: 03/12/2020**

AHEPA MARROW 2020 TOURNAMENT CANCELLED

Due to circumstances beyond our control, the Ahepa Marrow Board is announcing that the 2020 Ahepa Marrow Tournament will be cancelled.

As COVID-19 (coronavirus) continues to spread, we were notified today that two of our event facilities are shutting down and restricting large events as well as outside vendors from using their sites. For that reason, we are canceling the 2020 Ahepa Marrow Tournament.

The health, safety, and welfare of our Ahepa Marrow community is our primary concern and in our conversations with our site partners, we agree that this is the best decision to protect our Ahepa Marrow teams, volunteers, etc.

If you have any specific questions, please feel free to reach out to our Chairman, Dr. John Venetos, directly at 847-975-1114, or ahepamarrow@gmail.com.
